The Honorable  
The Secretary of Defense  
Washington 25, D. C.

Dear Bob:

I agree that the Terms of Reference for the Ad Hoc Imagery Interpretation Review Group, prepared by our representatives, provides a proper approach for the conduct of the survey suggested by the Bureau of the Budget and for meeting the need of the intelligence community for more effective development and utilization of resources involved in this highly important area of our intelligence effort.

I hope that early progress can be made in the conduct of the survey so that it can provide for us a better insight into our overall capabilities as well as recommendations for improving the utilization of those capabilities.

Enclosed is a signed copy of the Terms of Reference which I approve.

Sincerely,

(Signed) W. F. Raborn
